We manage every aspect of your event from concept to completion

# About Tents & Events

We are a leading Marquee & Tent Hire company in the North West & North Wales.

Formed in 1995, we are a family business with many years experience in the marquee and event management business. Every year sees a huge investment in the very best equipment available with a highly trained and dedicated workforce.

From small family gatherings to lavish themed parties we endeavour to offer an exceptional service at every event.

# Designed Just For You

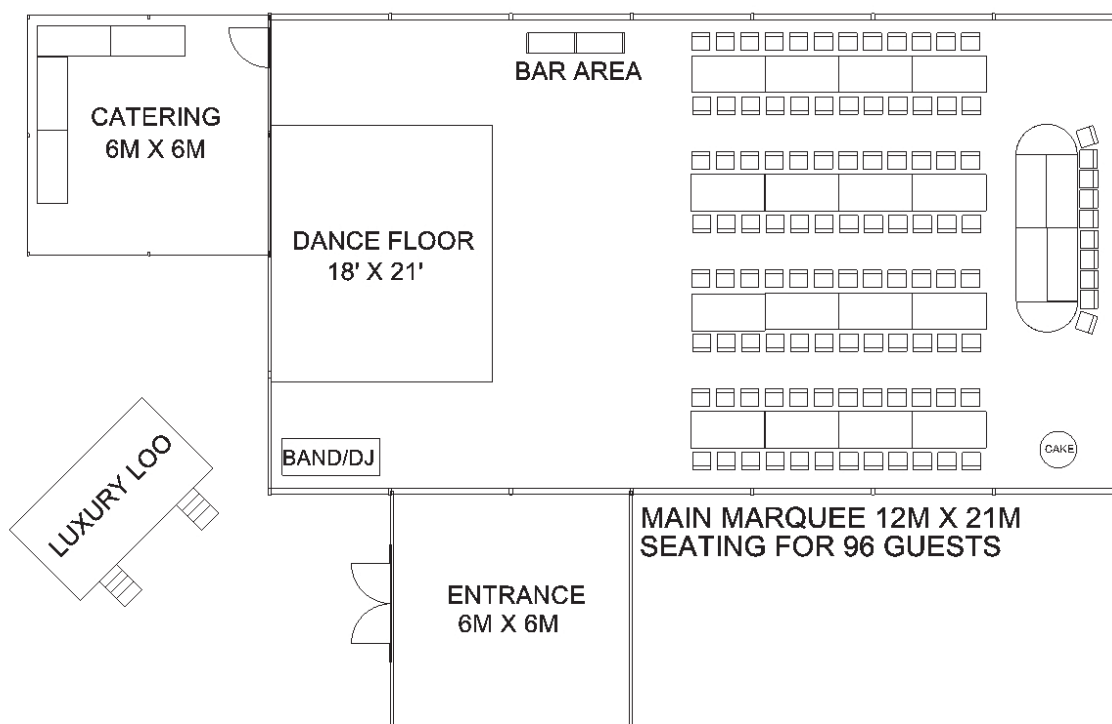

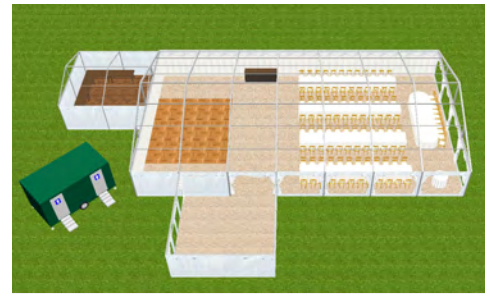

We combine the latest computer design software with an extensive range of equipment to provide you with the perfect package.

We have a variety of Pagodas, Triangles and Hexagons with endless options of shapes and sizes. Our range of modern clearspan Frame Marquees also come with a choice of windows and linings.

We have recently added a premium curved frame marquee to our extensive range.

We can quickly provide detailed drawings to scale which show the layout of the marquee, giving customers an accurate impression of their marquee with various colour schemes, furniture options and finishing touches!

**Our CAD system helps our customers to visualise their events in 3D.**

## Bespoke Packages Tailored For You

We don't believe in standard packages! Every event is different and as such we offer a totally flexible approach. We support this by having an extensive range of in-house equipment to allow greater choice.

To create the desired atmosphere, the venue can be transformed with coloured linings and up to the minute decorative lighting.

Flooring options include premium cassette and steel sub-floor for a perfectly levelled site alongside our standard interlocking solid wooden floor. We also offer a vast array of carpet colour options to suit your theme or colour scheme.

The options are so vast that we always encourage a complimentary visit to our site to discuss your requirements so we can provide you with the perfect solutions for your event.

## Lighting & Effects

Our in-house electrical team offer a comprehensive range of lighting and power distribution options to cater for any size of event, from solid brass chandeliers, from solid brass chandeliers, up-lighters, pea lights and pin-spots to outdoor festoon and coloured flood lighting for gardens and buildings.

We offer a fleet of generators with distribution packages to cater for all catering, entertainment and wiring requirements. All our electrical equipment is PAT tested to ensure safety and reliability is maintained at all times.

# Furniture & Dance Floors

Our furniture options are too numerous to list but range from simple bistro chairs and banqueting tables to patio equipment and bars. We carry a comprehensive range of equipment to cover the largest events.

If you like to dance you will appreciate our dance floor options, all dance floors are fully interlocking with aluminium edging to ensure safety. Our range includes: parquet, black and white and an outdoor plastic floor.

**All equipment is maintained to the highest level.**
